## Lord, Give Us the Cities!

### DAILY DIARY UPDATE NO. 6 - April 10th

Steve opened up Nehemiah 1 to us and spoke to us about “the man who wept over broken walls”. He explained that to get faith to transform cities we would need three things:

- To see our cities through God’s eyes
- To act upon the revelation of the heart
- To lean into God for the supernatural

Delegates then wrote the names of cities (and even nations) that are dear to their hearts and asked God to bring his glory to that place and transform it.

Julian Owens (Australia) Gurmeet and Sushma (Punjab, India) were interviewed about Kingdom businesses.

Steve and Heather met up with friends from Clarens, South Africa, celebrating where Regions Beyond first began
